

## **LET'S VOLUNTEER!**

*At CGT, community service opportunities for school-age children are designed to educate, engage, enlighten and foster volunteerism in young minds about children in need in the local community,*

**At this time, we welcome Youth groups to engage in service, according to the following guidelines:**

### **Grades 1-5: off-site**

Choose a project. Gather the materials and/or complete the project. Donate them! For more information, please email [volunteen@communitygivingtree.org](mailto:volunteen@communitygivingtree.org) or [outreach@communitygivingtree.org](mailto:outreach@communitygivingtree.org).

**PROJECTS off-site** can take the form of a collection drive of essential items or no-sew blankets.

### **Grades 6-12: on-site**

Private service groups (**max. 5 teens**) are available in the Boxford Giving Center or the Lawrence Giving Center by special arrangement. To schedule a service opportunity, please email [volunteen@communitygivingtree.org](mailto:volunteen@communitygivingtree.org).

**PROJECTS on-site in Boxford & Lawrence** include sorting donations of clothes and shoes, cleaning and assembling baby equipment and furniture, unloading and loading of the van, periodic re-organization of the warehouse, setting up for certain events, and more.
